*To combine efforts with other business leaders demonstrating your commitment to the humanitarian mission of Hospice of Washington County*

HWC was born out of the vision of an exceptional group of people who realized the value of hospice care and wanted it for their families and neighbors.

Over the years, Hospice of Washington County developed into a full service hospice with doctors, registered nurses, certified nursing assistants, professional social workers and spiritual care providers in addition to our many dedicated volunteers.

As the exclusive licensed provider of hospice care in Washington County, Maryland, our goal is to surround the patient and their family with a personal team of professionals who know how to manage even the most difficult situations. HWC serves Washington County residents who live at home with family, in nursing homes, assisted living facilities or group homes and now at Doey's House, the first hospice house for our community.

**Hospice is not about giving up. It is about quality of life. To speak to us personally, please call 301-791-6360.**

# You are cordially invited to support HOSPICE OF WASHINGTON COUNTY

Please consider joining HWC's Corporate Redwood Society. This distinguished society was created to recognize our strong network of community-minded business, corporate and foundation donors.

Your gift — in combination with others — will ensure quality end-of-life care and grief counseling for you and your loved ones. Your donation will ensure that the mission of HWC will continue and the organization can continue to serve our community coping with aging, serious illness and grief. Because these issues cross all socio-economic lines, many of your employees, board members, shareholders and/or customers have most likely had experience with HWC's supportive care — or will.

Thanks to so many generous individuals and businesses, HWC consistently goes above and beyond to offer much-needed services that are not reimbursed by Medicare and other payers. HWC does not turn away a patient from care due to their inability to pay.

*By making a donation and becoming part of this society, your business is joining a number of outstanding corporate citizens making Washington County a more compassionate place to live and work.*
